

The *Carson* (1-3-555B)

TRADITIONAL

An open-concept plan gives the Carson plenty of modern-day appeal. It offers a very large great room with space for a corner fireplace. This is the perfect layout for living on one level.

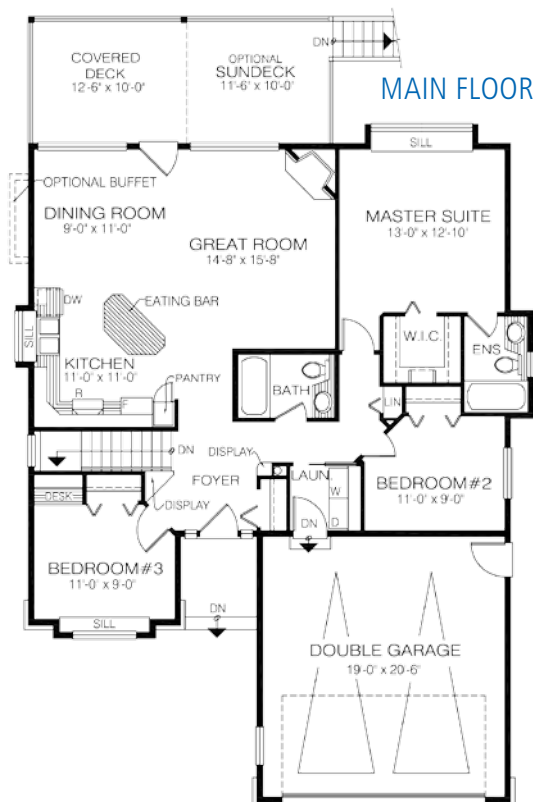

Square Footage

TRADITIONAL: This home package includes design, construction plans, and all the materials required to build the structure of this home to the lock-up stage. Materials include export-grade framing lumber, an engineered wood truss system, low-maintenance siding and energy-efficient windows. This design features the use of conventional construction methods. It can be modified to suit individual site conditions.
