

designQ

As part of the new home building process, Broadview Homes offers every home buyer a three-hour personal consultation with a Certified Interior Decorator in the 4,000 square foot design centre, **designQ**. Our Consultants assist purchasers in choosing interior and exterior selections for their new home.

designQ offers all popular upgrades on display, and Consultants are able to quote any upgrades of product selection after the consultation.

Located at the Qualico head office in Sage Creek, **designQ** holds an open house every Thursday, 9a – 4p.
